*These amendments have been authorised to the text of MotorSport Manual Edition 35. It is recommended that in addition to retaining a copy of this amendment that all parties modify the actual text in their Manual according to the following:*

### National Sporting Code

#### Amendments to the National Sporting Code in Manual 35:

**1. Amend NSC Article 12 as stated in the schedule below.**

---

**1. Item One:**

**12. Issue of Permit:**

- (1) Without prejudice to MotorSport NZ's right to decline an application pursuant to paragraph (2) or (3) of this Article, each application for a Permit shall be considered by MotorSport NZ taking into account:
- (a) The conformity of the proposed Series, Meeting or Event with this Code and with the Standing Articles or Standing Regulations applicable to the Series, Meeting or Event; and
  - (b) Such other matters as may be relevant to ensure that the conduct of the Series, Meeting or Event is fair and safe.
- (2) Any application for a Permit from a Member Club or Associate Member, which is more than three(3) months in arrears in payment of any levy, fee or penalty of any kind due and owing to MotorSport NZ, may at MotorSport NZ's option be declined.
- (3) Any application for a permit from a Member Club or Associate Member, that conflicts in dates with International Meetings or Events, MotorSport New Zealand Championship Meetings or Events, or the MotorSport New Zealand Annual General Council Meeting, may at MotorSport NZ's option be declined.

**Reason:**

*Over the past many years MSNZ has had a policy where it would not grant a permit for events that conflicted with International Events or Meetings, MotorSport NZ Championship Events or Meetings and the AGCMM weekend. This requirement is referenced in MotorSport New Zealand's policy manual. The wording of NSC Article 12 did not give MSNZ the authority to implement this policy.*

*This amendment is issued for MotorSport New Zealand Inc by the Administration.*
