Formula 1600 Championship Championship Amendment - Technical (Schedule F)

This amendment is issued under the provisions of the MotorSport NZ National Sporting Code Article 18(2) in confirmation that the following amendments, notices or points of clarification have been authorised to the text of the Supplementary Regulation of the above named event. It is recommended that in addition to retaining a copy of this bulletin all parties modify the text of the regulations according to the following:

Championship Amendment

1. Amend Article 14.7 as stated in the schedule below.

1. Item One:

18.4.2 The 'standard flywheel and clutch assembly' (refer definitions) shall weigh no less than **10.50Kg**. It is strongly recommended that machining to achieve the minimum weight is only performed to the flywheel within the area defined by the diagram and photo at Addendum 2.

Reason:

To clarify the flywheel machining requirements.
