

2020 Race Championship Series

TOYOTA RACING SERIES Championship Technical Amendment (Schedule TRS)

This amendment is issued under the provisions of the MotorSport NZ National Sporting Code Article 18(2) in confirmation that the following amendments, notices or points of clarification have been authorised to the text of the Supplementary Regulations of the above named event. It is recommended that in addition to retaining a copy of this bulletin all parties modify the text of the regulations according to the following:

Championship Amendment

1. Amend Article 4 **BODYWORK** and **DIMENSIONS** as stated in the schedule below.
2. Amend Article 6 **ENGINE** as stated in the schedule below

-
1. **Item One:** Add new Article 4.8.1

4 **BODYWORK** and **DIMENSIONS**

4.8 It is permitted to apply vinyl type protective material of maximum thickness 0.025mm to the leading edge of the side pod. It must be for protective purposes only and shall not be performance enhancing. The applied material must be kept to a minimum; the area covered will be at the discretion of the TRS Championship Scrutineer.

4.8.1 It is mandatory to apply vinyl type protective material as supplied by TGR to the leading edge of the LH and RH Front Underfloor assemblies and the area of the rear diffuser immediately forward of the rear wheel cut-out. Refer below

Reason:

1. Assist in protection of damage prone areas of the bodywork

2. **Item Two:** Add new Article 6.8

6 **ENGINE**

6.8 **Induction System:**

(1) Air Filter

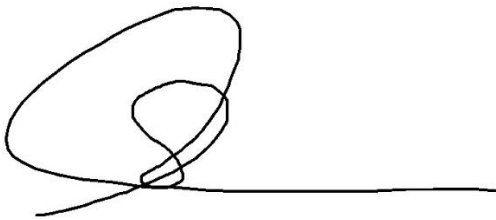

- (a) }....
- (b) }....
- (c) }....
- (d) }....

(e) The air filter must be fitted the correct way up with the surface marked "UP" facing upward

Reason:

- 1 *To clarify the correct orientation of the air filter element*
