

ARTICLES GOVERNING THE 2023-24 PIRELLI PORSCHE NZ RACE CHAMPIONSHIP

Preamble

MotorSport NZ Inc and The Porsche Club of New Zealand (Inc) hereby declare that the following Articles to be those governing competition for drivers and entrants of Porsche Production eligible cars.

The Championship is held under a MotorSport NZ Sanctioning Permit No: 239015

The Championship is organised and held in accordance with these Articles, MotorSport NZ National Sporting Code, the Standing Regulations applicable to all Races (Schedule Z), these Championship Articles, and any Supplementary Regulations applicable to, and issued by the Organisers of each Round of the Championship.

These articles are at all times to be read in conjunction with:

- The National Sporting Code (NSC) and its appropriate Appendices and Schedules,
- The Technical Regulations - Schedule PC,
- The Event Supplementary Regulations issued by the inviting Clubs.

OFFICIAL RECORD OF AMENDMENTS ISSUED TO THESE ARTICLES

MotorSport NZ may issue amendments to these Championship Articles or Technical Schedule where it is deemed necessary to amend or clarify any article. These amendments will be issued by the Chief Executive Officer or their representative in the form of Championship Amendments.

5	10 Laps ¹	10 Laps ¹	30 Minutes ²	Hampton Downs Motorsport Park
6	10 Laps ¹	10 Laps ¹	30 Minutes ²	Taupo International Motorsport Park

6.4.1 Race Formats:

- (a) ¹ indicates a Sprint Race format.
- (b) ² indicates an Enduro Race format.

6.5 SPRINT RACES:

6.5.1 Race Starting Procedures: starts for all races at each Round will be a Standing Start in accordance with the provisions of Appendix Four, Schedule Z.

- (a) All classes as outlined in these Championship Articles shall combine to form one grid.
- (b) Starting positions for all Races shall be determined by the best lap time achieved during any Qualifying or preceding race; fastest driver to the front of the grid.
- (c) Any competitor who has not recorded a lap time must start from the rear of the grid.
- (d) The Clerk of the Course may, in conjunction with the Championship Coordinator, adjust the starting position of a competitor in each Race due to safety purposes. Any such adjustment shall be published as soon as practicable after the previous Race, and in any case no later than thirty(30) minutes prior to the start of the next Race.

6.6 ENDURO RACES:

6.6.1 Race Starting Procedures: starts for all races at each Round will be a Standing Start in accordance with the provisions of Appendix Four, Schedule Z.

- (a) All classes as outlined in these Championship Articles shall combine to form one grid.
- (b) Starting positions for all Races shall be determined by the best lap time achieved during any Qualifying or preceding race; fastest driver to the front of the grid.
 - (i) In reference to the penalty outlined in Article 10.2, should Qualifying be wet and the Race dry, the Championship Co-ordinator will assign times to each race class.

- (c) Any competitor who has not recorded a lap time must start from the rear of the grid.
- (d) The Clerk of the Course may, in conjunction with the Championship Coordinator, adjust the starting position of a competitor in each Race due to safety purposes. Any such adjustment shall be published as soon as practicable after the previous Race, and in any case no later than thirty(30) minutes prior to the start of the next Race.

6.6.2 Compulsory Timed Pit Stops:

- (a) Each Driver must complete a compulsory timed pit stop or drive through, which must be completed after their first full lap of the race and prior to the commencement of the final lap of the race.
- (b) The Pit Stop duration for each class will be determined by the Championship Co-Ordinator and is calculated using the fastest lap time of the meeting from each class with the pit stop duration set based on 75% of the actual time difference between the fastest car in each class (fastest class to slowest class).

Driver's will be notified of their class Pit Stop duration no later than 30 minutes prior to the start of the race.

- (c) The Compulsory Timed Pit Stop will start when the vehicle comes to a complete stop, with each driver responsible for determining how their timed Pit Stop is managed.
- (d) A Driver change may take place during the compulsory timed pit stop.
- (e) The only permitted intervention with the vehicle during the timed Pit Stop (other than a Driver change) will be rolling the car back and forwards no more than 2 metres (the car cannot be moved ahead of the point at which it stopped for the Pit Stop) to disperse brake heat. Any other intervention with the vehicle can only occur when the timed Pit Stop is complete.
- (f) **Class E:** At the discretion of the Championship Co-Ordinator, Class E may be assigned a minimum of a Stop-Go Pit Stop.
- (g) **Class F:** The Championship Co-ordinator may advise that instead of a compulsory timed pit-stop, drivers will be required to complete a pit lane drive through without the requirement to stop. This will be advised at least thirty(30) minutes prior to the start of the Race.

- (1) Where a pit lane drive through without the requirement to stop is advised, the pitlane transit time shall not be less than the following pit lane transit times (based on the maximum speed limit of 40 k/ph):

Taupo International Motorsport Park	30 seconds
Hampton Downs Motorsport Park	23 seconds

(h) Failure to complete the prescribed timed Pit Stop will be penalised in accordance with Article 10.3 of these Articles.

6.6.3 In the event of a dispute or an inquiry into a competitor complying with the stipulated stop-time or the pit lane transit time the vehicle's camera recording will be used to determine the length of the stop or the pitlane transit. In an inquiry situation, a non-recording or malfunctioning camera will result in a penalty as per Article 10.3 of these articles.

6.7 At all Rounds the Clerk of the Course, in consultation with the Stewards, reserves the right to shorten and/or cancel races in the case of Force Majeure.

7. TIMEKEEPING:

7.1 Timing will be done by MyLaps Timing. All competitors must have the relevant timing transponder fitted at all times during qualifying and races.

7.2 Transponders shall be installed in accordance with Schedule A, Part One, Article 6.3.

7.3 All transponders must be registered and active so that timing can be recorded at meetings.

8. CONTROL TYRES ALLOCATION AND MARKING:

8.1 Tyre type: Only tyres as specified in Schedule PC are authorised for use within the Championship.

8.1.1 A competitor may for a maximum of one (1) round, use slick or wet tyres other than the control tyre specified in Schedule PC. However, competitors using non-control tyres shall be ineligible for any points for the round in which the tyres are used. Sponsor decals must still be displayed.

8.2 Slick Tyre allocation: The maximum slick tyres that may be presented for marking at each Round are as follows

(1) Open Class A & B: There is no controlled allocation of slick tyres per Round. However, any non-championship tyres cannot be new for this Round.

(2) Classes A – D (inclusive):

(a) First Round entered: up to eight (8) new tyres, consisting of a maximum of four (4) new rear tyres and four(4) new front tyres .

(b) All subsequent Rounds: up to four (4) new tyres consisting of two (2) new rear tyres and two (2) new front tyres and up to four (4) previously marked tyres per round.

- 8.2.1 Class A-D Pirelli slicks** can only be obtained from Continental Tyres, unless permission is given by the Race Committee to source them elsewhere. **Contact details can be obtained via the Secretary.**
- 8.2.2** A slick tyre damaged during a Round may be replaced provided the damage has been determined by the Championship Scrutineer, at their sole discretion, to have been caused by other than the competitor's error.
- 8.3 Class E and Class F:** There is no maximum tyre allocation per Round.
- 8.4 Wet Tyre allocation per Round:** There is no controlled allocation of wet tyres per Round.
- 8.4.1** When a meeting is declared "wet", the Pirelli Hard Compound (WH) treaded (wet) tyres must be used.
- 8.5 Tyre marking procedures:** All tyres (new and used) to the maximum detailed in Article 9.2 above shall be presented to the Championship Scrutineer for marking for that Round of the Championship.
- It is the Competitors responsibility to ensure that they present their tyres not less than one (1) hour prior to the qualifying session of the Round.
- Competitors in Classes A – D using tyres not marked for that Round will not be eligible for Championship points.
- 8.5.1** Any number of tyres, to the maximum permitted, may be presented to be marked at a Round.
- 8.5.2** It is the Competitor's responsibility to ensure that tyre markings remain clearly visible. When tyre marking starts to become illegible, the Competitor must advise the Championship Scrutineer accordingly, who will decide upon the appropriate course of action.
- 8.5.3** There is no requirement for Open Class tyres to be marked.
- 8.6 Tyre Warmers:** are permitted for Classes: Open A & B, A to D (**D class slicks only**) inclusive.

9. PARC FERMÉ:

- 9.1** Upon directive from the Championship Scrutineer or their appointed assistant, Competitors may be required to drive their competing vehicle directly (and without any team personnel/crew intervention) from the track to the designated Parc Fermé, the location of which will be notified on the official notice board of the Meeting.

Note: *Drivers should ensure that they and all their team personnel are familiar with the Parc Fermé regulations and limitations as detailed in the National Sporting Code Article 60.*

- 9.2** The Championship Scrutineer or their appointed assistant may authorise the entry of team personnel for the purposes of vehicle eligibility inspections.

- 9.3** Unless the Championship Scrutineer or their appointed assistant consents in each particular case, any car unable to proceed to Parc Fermé under its own power must nevertheless be delivered there as soon as practicable.
- 9.4** In-car cameras may be removed by the Championship Coordinator, or their appointed assistant, during Parc Fermé after consultation with the Championship Scrutineer.

10. PENALTIES:

10.1 Where a penalty is applied to a Competitor in accordance with Appendix One Schedule P, Article 5, A 4Z.5, A 4Z.6 and A 4Z.7, the following point deductions will also be applied:

- (a)** Deduction of 15 points from both the PCNZ Class; and
- (b)** Deduction of 15 Enduro Cup points table (if penalty is applied for a breach during an Enduro Race); and
- (c)** Deduction of 25 points from the Championship Season points total.

10.2 **Enduro Races:** Should a driver exceed the lap time used to determine the starting positions as per 6.6.1 (b) by greater than one (1) second, a Time Penalty of two (2) seconds will be imposed for each lap exceeding this threshold.

10.3 Failure to complete the prescribed timed Pit Stop will result in a recall to the pitlane to complete the remainder of the pit stop, if identified during the race. If an insufficient Pit stop time is not discovered until after the completion of the race, the remaining time for the prescribed pit stop plus a time equivalent of a drive through penalty imposed by the Clerk of the Course will be added to a driver's time.

10th	12	20th or lower	1

11.3.1 Races: Points will be awarded to all eligible drivers based on the finishing order within each class, in each Race, at each Round of the Championship.

11.3.2 For any Class with three (3) or fewer competitors, the class points allocated will be as follows:

	1st	2nd	3rd
Three (3) cars per Class:	35	30	26
Two (2) Cars per Class:	30	26	

One (1) Car per Class:	26		
-------------------------------	----	--	--

- (a) All cars that have been given the signal to start the race by the starter shall be included in the calculation of points for that class, excepting that any Driver who is excluded from the Race results by the Clerk of the Course shall not be awarded points for that Race.
- (b) Notwithstanding Article 11.3, if any Driver participates in any Class which has an insufficient total number of Drivers participating in the Driver's particular Class to earn the Driver maximum points for a class win (i.e. three or fewer participating Drivers), there shall be deemed to be an additional car in the Driver's class for each car from a higher class that the Driver outranks in the overall finishing order for the particular Race, excluding non-starters and non-finishers but including Drivers otherwise excluded from the results, and the Driver shall be awarded the appropriate additional points accordingly.
- (c) A Driver in Classes A-F will not obtain points as outlined in 11.3.2 (b) if the Driver outranks in the overall finishing order an Open Class A or Open Class B car.

11.3.3 A Driver may compete in more than one (1) Porsche model within a Class and will accumulate points towards that Class Championship. A Driver entering cars in different Classes can combine those different Class points towards the overall Class Championship.

11.4 Each competitor must drop one points scoring round. MotorSport NZ Pirelli Porsche Championship and PCNZ Class Championship points will be recorded as zero(0) for this round.

11.4.1 The competitor must inform the Championship Secretary or their nominated delegate within sixty(60) minutes of the finish of the final race of the season which round they would like to drop. If the competitor fails to advise which round is to be dropped, then the lowest points scoring round for the PCNZ Class Championship will be dropped by default.

Note: *Enduro Cup finishing place points will still be counted for the dropped round in accordance with Article 11.2.*

11.5 For the purposes of points calculations and assignment for all other cars, any car that is ineligible for points is deemed to be not part of the finishing order for each race and points will be awarded to all other eligible cars as if that car was not present.

11.6 Where a vehicle is shared between two Drivers, each Driver shall have their points recorded individually.

12. AWARDS:

12.1 MotorSport New Zealand Porsche Champion (National Champion): The NZ Porsche National Champion will be the Driver from Classes A – F inclusive, with the highest overall points score over all Rounds (excepting any dropped round in accordance with Article 11.4.1) of the Championship and shall be awarded the **MotorSport New Zealand Porsche Championship Cup** at the Annual MotorSport New Zealand Awards Function.

Note: Open Class competitors are ineligible for National Championship points.

12.2 Class Champions: The presentation of Class Championship Awards shall be made at the conclusion of the Championship, at a time and place and in a manner as specified by the Club. The following awards will be presented:

- (1) The highest points scorer from any Class shall be awarded the overall NZ **Porsche Club Class Champion** trophy.
- (2) The highest point scorer from Class A shall be awarded the **Peter Thorpy Trophy**. If there are no Class A competitors, the trophy will be awarded to the highest point scorer in Class B.
- (3) The highest point scorer from each Class shall be awarded a Class Champions winner's cup.
- (4) The highest placed Driver from the NZ Porsche Club Class Championship who did not compete in the previous season's Championship, any of its precursors, or in any other MotorSport NZ Championship or Accredited Series shall receive the Rookie of the Year Award.
- (5) The Spirit of the Championship Award "**Tim Bailey Memorial Trophy**" will acknowledge a Driver who has demonstrated exceptional levels of dedication, sportsmanship and vehicle presentation, and who exemplifies the spirit of the Championship. "**The Tim Bailey Memorial Trophy**" shall be allocated by a panel consisting of the Championship Officials and optionally, representatives of the Championship sponsor(s).
- (6) The highest point scorer from Class F shall be awarded the **Steven Neville Memorial Trophy**.
- (7) The highest overall points scorer from the designated Enduro Races will receive the **Enduro Cup**.

12.3 Round Awards: At each Round, a Driver of the Day award will be awarded as determined by the Championship Coordinator and the Championship Scrutineer.

13. TELEVISION AND IN-CAR CAMERAS:

13.1 Subject to Force Majeure and programming rescheduling beyond the control of the Club, the Rounds of the Championship may, at the discretion of the Organisers, be filmed and broadcast.

13.2 All cars are required to have a forward-facing camera fitted that is capable of clearly recording the view through the front windscreen. It is recommended, and to the competitor's benefit, that the camera view captures the top section of the steering wheel. The position of fitting this camera takes precedence over any other camera fitted in the vehicle.

13.2.1 This camera must be mounted in accordance with any instructions issued. The mounting of the camera will be supervised, where required, by the Championship Scrutineer or appointed Assistant.

13.2.2 It is the Competitors responsibility to ensure the camera is switched on and recording during all Practice, Qualifying and Race Sessions.

13.2.3 At any time during an Event, camera data is to be made available to the Clerk of the Course, Stewards, Championship Coordinator or their appointed assistant, or the Driving Standards Observer.

14. DRIVER APPAREL:

14.1 Driver Safety Apparel Requirements: All drivers shall wear driver safety apparel/equipment in accordance with Appendix Two, Schedule A, Part One, Article 4.1, 4.2 and 4.3.

14.2 Competitors during all interviews must wear the Championship sponsors' apparel.
