5	10 Laps	10 Laps	12 Laps	Manfeild Circuit Chris Amon
6	10 Laps	10 Laps	10 Laps	Taupo International Motorsport Park

6.4.1 At all Rounds, the Race Director, in consultation with the Clerk of the Course and/or the Stewards of the Meeting following consultation with the Championship Coordinator (where practicable), reserves the right to shorten and/or cancel any practice/qualifying sessions and/or Races in the case of force majeure.

6.5 Race Start Procedures: At all Rounds, the starting procedure will be a Rolling Start in accordance with the provisions of Appendix Four, Schedule Z Article 8.3 of the MotorSport New Zealand Manual. There will be two(2) full formation laps, with the Rolling Start commencing on the end of the second formation lap.

- (a) Starting Positions for Race One:** grid positions will be determined by the fastest lap times achieved in Qualifying, with fastest to the front.
- (b) Starting Positions for Race Two:** grid positions will be determined by the finishing order of Race One. Any non-finishers will be placed at the rear of the Grid in Qualifying time order. All Drivers who did not start Race One will be placed in a final group at the rear of the grid in qualifying time order.
- (c) Starting Positions for Race Three:** grid positions will be determined by the fastest overall lap time achieved by the vehicle in Race One and Race Two with the top ten(10) reversed.

7. PARC FERME:

7.1 Upon directive from the Championship Scrutineer, Competitors may be required to drive their vehicle directly (and without any team personnel/crew intervention) from the track to the designated Parc Fermé, the location of which will be notified via Official Bulletin on the Official Notice Board of the meeting.

Note: Drivers should ensure that they and all of their team personnel are familiar with the Parc Fermé regulations and limitations as detailed in the National Sporting Code Article 60.

- 7.2** Whilst the vehicle is in Parc Fermé only the Driver and one(1) team member per vehicle are permitted to lift the bonnet for cooling purposes and to take tyre pressure readings only and be present at any technical inspection. Excluding Article 7.3, no other intervention is permitted unless specifically authorised by the Championship Scrutineer or Race Director.
- 7.3 Ride Height Measurement:** Ride Height Measurements may be taken at any time including when the vehicle is in Parc Fermé conditions. Ride Height measurements shall be taken with the vehicle in 'Race Trim'. For the purpose of Ride Height measurement, the tyres shall be set to a maximum 36psi and the measurement shall be taken on the official flat pad.

8. RACE RADIO:

- 8.1** Race Radio is compulsory and will be used for all major announcements, including Race penalties and to communicate with team managers and Drivers concerning incidents and circuit penalties. These decisions will be followed up with a Race Director's decision form.
- 8.2** The frequency is 489.681250 Colour Code 10 Digital.
- 8.3** Any Race Radio tuned to the above frequency must be set to "receive" only.
- 8.4** Any announcement over Race Radio will be considered as having been heard and understood by teams and Drivers. These announcements will be additional to flag/light signals to Drivers.

9. PENALTIES:

- 9.1** Penalties shall be applied in accordance with the prescribed articles of NSC Part VIII – Penalties, Schedule P, and Appendix Two to these articles.
- 9.2 Reverse Grids:** If a Competitor receives any penalty during a meeting that will give a positive effect for a reverse grid start then they will be placed at the rear of the reversed section of the grid. This supersedes Schedule Z, Article 6.6.

- 9.3 Championship Demerit Points:** These penalty points are deemed to be additional to any Time Penalty or Drive Through Penalty that may have been imposed and will be part of the Race Directors decision. These points are cumulative over all Rounds of the Championship Series. Grid or race exclusion requirements will be imposed once the grid for a race has been determined.
- (1) **6 points:** go back six(6) grid places for next Race.
 - (2) **10 points:** start from rear of grid for the next Race.
 - (3) **15 points:** exclusion from next Race and start from rear of grid at following Race.
 - (4) **19 points:** exclusion from two(2) Races and endorsement of Competition Licence until 30 June 2026.

Note: The 'next Race' is clarified as being the Race a Competitor is starting immediately following a decision being delivered.

- 9.4 Competitor Clearance:** If Competitors are required for Inquiries or Hearings, they will be advised by summons or notice, as applicable. Additionally, an advisory announcement may be made on Race Radio. These notifications will be made within one(1) hour following completion of the category's final Race for the day/Meeting. No Competitor may leave the Circuit until one(1) hour after the finish of their last Race of the day.
- 9.4.1** Any Competitor so notified must receive clearance from the Race Director or Chairman of Stewards prior to leaving the Circuit.
- 9.4.2** Any Competitor who lodges a protest into any matter must receive clearance from the Chairman of Stewards prior to leaving the Circuit.
- 9.4.3** Subsequent non-attendance of a Competitor will not stop any Hearing proceeding and a decision being taken. It is the responsibility of the relevant Official or Competitor to ensure their witnesses are available and able to take part in the Hearing.
- 9.5 Stewards Extended Powers:**
- 9.5.1** The Stewards shall have extended powers to deal with any matters that arise in relation to the Championship between Meetings. A Stewards' panel may be convened by MotorSport New Zealand at any time during the Series to consider any Protest or other matter within their jurisdiction in relation to the Championship which may be referred to them, or which may be initiated by the Stewards on their own volition.
- 9.5.2** When the Stewards have commenced a Hearing at one place, and it is deemed by them not practicable to complete consideration of that matter at that time and place, the Hearing may be adjourned to another time and place and may be heard by a panel of Stewards other than those who commenced the Hearing, provided at least one(1) Steward who was at the original Hearing is a member of the new panel. If required, the panel will be appointed by MotorSport New Zealand.
- 9.5.3** The Stewards may call upon any witness or advisor they so decide, either as part of, or outside, a hearing to assist in resolution of any matter.
- 9.5.4** The Stewards maximum fine level is \$5,000 for any offence. Additionally, they may, for an offence, impose the penalty of exclusion from the meeting or event and endorse a Competition Licence for a maximum period of twelve(12) months.
- 9.5.5** If at the conclusion of a hearing the Stewards consider that the matter has been proven and the penalty prescribed in Appendix Two is insufficient given the serious nature of the offence then in such instances the matter may be passed to MotorSport New Zealand for action.

10. DRIVER APPAREL:

10.1 Driver Apparel: All Competitors shall wear the following driver safety apparel when competing within the Category;

- (1) Protective Helmets, Frontal Head Restraints, and Protective Clothing, in compliance with MotorSport New Zealand Manual Schedule A, Part One, Article 4.

11. TYRE TYPE, ALLOCATION AND MARKING PROCEDURES:

11.1 Only the Control Tyres purchased from TA2NZ as detailed in Schedule TA2 are permitted for use in the Championship Events for Practice, Qualifying, and Races.

11.2 All tyres are bar coded and will be recorded and monitored throughout the Championship.

- (1) **“Dry” tyre allocation for the Championship:** the maximum number of “dry” Control Tyres that may be presented for marking for each Round of the Championship are as follows:
 - (i) First Round for the Vehicle: six(6) tyres. These may all be new tyres.
 - (ii) All remaining Rounds for the Vehicle: maximum of four(4) new tyres and two(2) used marked tyres from the current Championship Season. All tyres carried forward to the next Round must be scrubbed or used. A total of six(6) tyres must be marked for that Round.

(2) **Practice sessions:** any marked or unmarked Control Tyre may be used.

(3) **Qualifying and Races:** only the six(6) tyres marked as provided for in Article 11.2(1)(ii) may be used.

11.3 “Wet” and “Intermediate” tyre allocation per Round: there is no controlled allocation of “wet” or “intermediate” Control Tyres per Round. If the meeting is declared “wet” by the Clerk of the Course, “wet” or “intermediate” Control Tyres must be used.

11.4 Specifically prohibited for all tyres are the following modifications:

- Hand cut tread grooves;
- Filing and buffing;
- Tyre warmers;
- Chemical treatments; and
- Any means of artificially enhancing tyre performance.

11.5 Tyre marking: Tyre marking (bar code reading) for “dry” tyres only will take place outside Competitor’s marquee or garage two(2) hours prior to Qualifying. By this time, it is the responsibility of the Competitor to ensure the tyres are off the vehicle, in a clean condition, and ready for marking with the bar codes to the outside wall of the tyres.

11.6 It is the Competitor’s responsibility to ensure that tyre markings remain clearly visible. Whenever tyre markings start to become illegible, the Competitor must contact the Championship Scrutineer immediately, who will decide upon the appropriate course of action.

12. IN-CAR JUDICIAL CAMERAS:

12.1 All TA2NZ vehicles will be required to carry an approved in-vehicle camera system, which shall be supplied by the Competitor.

12.1.1 TA2NZ will supply SD Cards for each camera. It is the Competitor’s responsibility to ensure that the TA2NZ Coordinator is contacted immediately should one of the allocated memory cards be lost. TA2NZ will issue a further card at the Competitors’ expense.

12.1.2 The position of fitting the cameras takes precedence over any other camera fitted in the vehicle.

- 12.2** Cameras must be mounted in accordance with Schedule A, Part One, Article 6.4 and must be forward facing to capture both the steering wheel and the frontal view from the front windscreen.
- 12.3** It is strongly recommended that the cameras are connected to the ignition, however it is the Competitor's responsibility to ensure the camera is switched on and recording during all Practice, Qualifying Sessions and Races.
- 12.3.1** It is the Competitor's responsibility to ensure that the TA2NZ Coordinator is contacted immediately if there are any problems that could affect the camera from recording.
- 12.3.2** For cameras not recording, a thirty(30) second time penalty to Session or Race shall apply.
- 12.4** At any time during an Event, the Race Director and/or Driving Standards Observer, the Clerk of the Course or Stewards, can access relative footage from the Judicial Camera or any other camera that may be fitted to the vehicle to assist with Judicial Investigations. Such recordings shall be retained and unmodified in any way for a minimum of fourteen(14) days after the conclusion of the Event.
- 12.5 Access to Television Outside Broadcast Facility and Footage:** No Entrant, Driver or team member shall be permitted to access the television 'Outside Broadcasting' facility or gain access to any footage directly from the broadcaster during an Event, without obtaining the express permission of the Race Director or the Chairman of the Stewards.
