2026-27 NEXEN E46 RACE SERIES TECHNICAL REGULATIONS Amendment

This amendment is issued under the provisions of the MotorSport NZ National Sporting Code Article 18(2) in confirmation that the following amendments, notices or points of clarification have been authorised to the text of the Series Regulations of the above-named Series.

It is recommended that in addition to retaining a copy of this bulletin, all parties ensure they download the latest version of the Regulations from the Sporting' page on the MotorSport New Zealand website:

Technical Regulation Amendments as detailed below:

Item 1. New Articles 1.7.8 – 1.7.10 Additional requirements regarding the installation of scrutineering seals.

1. Item One:

1.7.7 ...

1.7.8 Seals supplied by the BMW RDS may be fitted by the Competitor or their nominated workshop. All seals shall be inspected by the Series Scrutineer, verified against the BMW RDS master seal register and recorded in the vehicle's MotorSport NZ logbook prior to the start of qualifying at Round 1, or the Competitor's first Round of the Series.

1.7.9 Only the numbered seals issued by the BMW RDS for the 2026-27 Series and recorded on the master seal register are valid. Seals issued in previous seasons are not valid.

1.7.10 Seal locations and method: [diff head – rear cover bolt / gearbox – tail-shaft cover bolt / engine head and inlet manifold – specify bolt], wire seal fitted so the component cannot be removed without breaking the seal.

1.8 ...

Reason: Additional requirements regarding the installation of scrutineering seals.

This amendment is issued by MotorSport New Zealand.
