2026-27 TA2 NZ RACE CHAMPIONSHIP TECHNICAL REGULATIONS Amendment

This amendment is issued under the provisions of the MotorSport NZ National Sporting Code Article 18(2) in confirmation that the following amendments, notices or points of clarification have been authorised to the text of the Championship Regulations of the above-named Series.

It is recommended that in addition to retaining a copy of this bulletin, all parties ensure they download the latest version of the Regulations from the Sporting' page on the MotorSport New Zealand website:

Technical Regulation Amendments as detailed below:

Item 1. Amend Article 6.5

1. Item One:

6.5 RADIATOR GRILLE

6.5.1 Radiator Grille inserts are required. ~~permitted, however,~~ They must be a TA2 spec part supplied by TA2NZ.

(a) For the two(2) piece Dodge front bumper the radiator grille may be substituted and must fit within the recessed mould lines of the TA2NZ bumper.

6.5.2 A maximum of only two (2) additional radiator grille inserts, TA2 controlled part #TA2-0108, are allowed and must be located within the radiator grille airbox frontal area. These are for the purpose of additional cooling to the radiator area especially during extremely hot weather conditions. Bumper sections may not be modified.

6.5.3 Radiator grilles must retain the original profile as viewed from the top, sides, and front; and

6.5.4 Radiator grille mesh is to be of steel or stainless steel construction and the profile of the mesh must remain constant from left to right and top to bottom, no modification of the mesh is permitted. Taping of the radiator grille mesh and overlaying of the mesh is not permitted.
