Manual Amendment 36059

*These amendments have been authorised to the text of MotorSport Manual Edition 36.
It is recommended that in addition to retaining a copy of this amendment that all parties modify the actual text in their Manual according to the following:*

Amendments to Appendix Two, Schedule A – Driver & Vehicle Safety (Part One) in Manual 36:

1. Amend Article 3.1 as stated in the schedule below.
2. Amend Article 4.1 as stated in the schedule below.

1. Item One:

3.1 Safety Audits:

(...)

(2) Safety Audit selection process:

- (a) The Chief Scrutineer or their appointed representative shall select vehicles for Safety Audit as follows:
 - (i) **For Rallies:** prior to the scheduled start time of the vehicle.
 - (ii) **For all other Events:** prior to Practice, Qualifying and/or any Races Competition.

Reason: *To provide alignment with the revised Schedule Z implemented 12 June 2023 and to reiterate when Safety Audits shall take place across all disciplines.*

2. Item Two:

4.1 Protective Helmets:

(...)

- (2) **Approved Helmet Standards:** Examples of the following standards labels are detailed in Part Two Article 4 of this Schedule

Notes:

- * denotes helmets also approved for use in International status Events.
- † denotes helmets also approved for use with Frontal Head Restraints (FHR) requiring the retrofit of tether posts.
- †† denotes helmets fitted with tether posts by the helmet manufacturer / agent.

Recommendations:

1. Helmets should be replaced at least every seven(7) years, and
2. Helmets (when not in use) should be kept in helmet bags, and
3. In the case of a severe impact the helmet should be destroyed, and
4. Foam neck braces may be used for the purpose of driver comfort, providing they are made entirely of fire-resistant material.

Reason: To align permissions with changes in Frontal Head Restraint requirements and to add updated standards.

This amendment is issued for MotorSport New Zealand Inc by the Administration.
