

# FORMULA FIRST CHAMPIONSHIP 2023- 2024

## Technical Report

Round Three –Hampton Downs–3<sup>rd</sup>/4<sup>th</sup> February  
2024

### **Post Qualifying:**

Weight and Valve Lift compliance checked on four fastest qualifiers. No non-compliances observed.

### **Post Race One:**

First four cars weighed, and fuel samples taken for compliance testing. No non-compliances observed.

### **Post Race Two:**

Was run during extreme weather conditions, rain and wind, so no post-race compliance checks carried out.

### **Post Race Three:**

Checked rocker assembly compliance on first three finishers and leading rookie. No non-compliances observed.

No cars were able to be weighed after Race Three as control of the cars was lost when they were taken directly to the podium from race finish.
