

Temporary HC Licence Application for: _____

Please ensure this page is completed for the Vintage Car Club applicants for a Temporary HC licence:

MotorSport New Zealand has introduced provisions to allow Vintage Car Club members to obtain a temporary race licence (Grade HC) which is valid for competition at one MotorSport NZ National Race permitted meeting or event (to a maximum of three (3) days).

Vintage Car Club Licence Details:

In completing the application form the applicant declares that:

They are not suffering from any disability of any kind whether permanent or temporary which is likely to detrimentally affect my control of my automobile or my fitness to drive.

Further, if during the course of this temporary licence validity should any health issues arise which could affect their ability to control my automobile then they will not participate.

In completing the application form the Steward declares that:

They have carried out a simple test relating to the colours used on flag signals and am satisfied that the applicant has no abnormalities in identifying the flag signal colours.

The applicant has gained a pass result in a simple examination based on information contained in the "Drivers Guide", or by providing evidence of a pass result within the preceding three(3) months
