2026 New Zealand Formula Ford Championship Articles Amendment

This Amendment is issued under the provisions of the MotorSport New Zealand National Sporting Code Article 18(2) in confirmation that the following amendments, notices, or points of clarification have been authorised to the text of the Championship Articles of the above-named Championship. It is recommended that in addition to retaining a copy of this Bulletin, all parties modify the text of the Regulations according to the following:

Championship Article Amendment:

1. Amend Article 8.1 as stated in the schedule below.

1. Item One:

8. DIRECT TO DRIVER COMMUNICATIONS & ON-BOARD CAMERAS

Amend:

8.1 Direct to Driver Communications:

- 8.1.1** It is compulsory for every driver to have in their vehicle a fully functioning Direct to Driver radio receiver for all official Practice, Qualifying sessions, and Races sessions. Radio communications to Drivers will be solely related to any safety-related matters where practicable. Direct to Driver radio communications serve as a supplementary aid and shall not supersede any official signals conveyed to Drivers.
- 8.1.2** No outgoing radio transmission function from the car vehicle is permitted.
- 8.1.3** The frequency is 455.168750MHz code 6B analogue (179.9).
- 8.1.4** Except for communications from Officials on this frequency, no radio, mobile phone, or other electronic communication device may be used to transmit information to or from a Driver during an official session.

Reason: *To clarify approved Direct to Driver communications, and ensure consistent terminology.*

This Amendment is issued by MotorSport New Zealand.
