❖ In the case of a Rally:

Appendix Three Schedule R of the New Zealand MotorSport Manual and the current edition of the Rally Organisers Handbook

❖ In the case of a Rallysprint:

Appendix Three Schedule RS of the New Zealand MotorSport Manual and the current edition of the ClubSport Organisers Handbook

And found the Road Book in compliance with the applicable text.

The route has been traversed under similar conditions and at the same time of day as the event is to be run.

The average speeds set for Touring Stages are in our opinion safe, the time allowance made for Special Stages are realistic, and there should be no problem for the Rally to run on time.
