Please Tick One

- ☐ New Logbook
- ☐ Logbook Full (send with application)
- ☐ Logbook Lost

Notes regarding this Application:

- Current vehicle owners name required (only **ONE** please)
- Full name of Owner, Date of Birth and Email Address are Mandatory fields
- Please be sure to include your correct post code
- Please include a physical address if selecting priority fee- cannot courier to PO Box.

Vehicle Details:

- Make (Ford, Holden, Fiat, etc.)
- Model (Falcon, Kingswood, Bambina, etc.)
- Body- Refer current MotorSport Manual for definitions if required
- Chassis: All vehicles must have a unique identification number permanently stamped or inscribed into the bodyshell/chassis of the vehicle. Please use the manufacturers' Chassis No. (not NZ VIN)
- Engine (cc): being the actual engine displacement in cubic centimetres before any correction factor is applied (Conversion: Cubic Inches x 16.4 = Cubic Centimetres)
- Engine type: being the engine operating principle. A correction factor of 1.8 will be applied to rotary engines and 1.7 to all forced induction engines. Leave blank if neither apply.
- MSNZ Safety Cage/Rollbar Homologation Number: This is typically a 4 digit number preceded by 'NZ' or 'TC' or "NZTA". This only applies if the vehicle has previously had the Safety Cage/Rollbar homologated by MSNZ
- **Note:** If you have a Safety Cage/Safety Rollbar which has yet to be Homologated/Approved the appropriate application form **MUST** accompany this Vehicle Logbook Application.

Vehicle Schedule/Class:
This section refers to the safety schedule which the vehicle will compete under. **NOTE:** 95% of vehicles will compete under Schedule A.

New Vehicle Owner:
NOTE: If you have purchased a motorsport vehicle which already has a MSNZ Vehicle Logbook then just complete the "Record of Ownership" with your current details. Only use this form if there is no logbook provided by the seller with the vehicle.
