

IMPORTANT INFORMATION ABOUT THIS APPLICATION

All applicants must read this important information and must follow the requirements of this application or it may be returned and an additional 50% of the original fee charged.

If you require help / assistance in completing this application, please refer to the 'Guidelines for Safety Cage Homologation' available on the MSNZ website or phone the Technical Department for assistance.

Once complete forward original documents either by Courier to physical address or email to technical@motorsport.org.nz

Submit completed application with the vehicles' logbook (or vehicle logbook application form)

This application must only be used when adding members to the roll protection which are not considered Principal Structure. When adding members that are Principal Structure, a Roll Protection Homologation Application must be completed.

SECTION TWO: A CLEAR and ACCURATE line drawing must be provided. New members must be identified by shading.

SECTION THREE: Detail ALL members of the rollbar/rollcage and reference each member on drawing in Section Two. The material description, material standard, and the material specifications must be provided.

SECTION FOUR: Declaration - Required to be completed by the manufacturer of the roll protection extension and sign accordingly to confirm that the safety structure has been designed, constructed and installed in compliance with the applicable regulations. Extensions may only be completed by the manufacturer of the original structure or with the written permission of the original manufacturer.

Photographs- All applicable photographs MUST be included with this application. All photographs MUST be of the UN-PAINTED structure and MUST be CLEAR and CLOSE-UP views. High resolution digital photos (clearly identifying applicants name and vehicle details) either on CD or by e-mail to technical@motorsport.org.nz. Only send necessary photos as noted below- If additional photos are required, they will be requested.

It is recommended to submit this application via MotorSport Online <http://online.motorsport.org.nz/>
Applications submitted manually may incur some delay in the processing time
